Americans for Prosperity Applauds State Representative Tom Arpke

-Signs No Climate Tax Pledge-

TOPEKA—The Kansas chapter of the free market grassroots group Americans for Prosperity (AFP-KS) today applauded State Representative Tom Arpke (69th District) for signing the group’s “No Climate Tax Pledge.” Arpke joins more than [500 lawmakers and candidates](#) on the federal, state and local levels pledging to **“oppose legislation relating to climate change that includes a net increase in government revenue.”**

“The one thing elected officials should be able to agree on is that global warming shouldn’t be used as an excuse to hike taxes on citizens and businesses,” said AFP-KS State Director Derrick Sontag. “We encourage all of Kansas’s elected officials and candidates for office to sign the pledge.”

Kansas signers include: Governor Sam Brownback; U.S. Senators Pat Roberts and Jerry Moran; U.S. Reps. Lynn Jenkins, Tim Huelskamp and Mike Pompeo; as well as numerous state lawmakers.

“Using the guise of climate change to transfer dollars from hard-working citizens to bureaucratic big government is unacceptable,” said Sontag. “Regardless of their stance on global warming, this should be common ground for all of our elected officials at all levels of government.”

The pledge is available online at www.NoClimateTax.com. AFP does not endorse candidates. All elected officials and candidates are encouraged to sign the pledge and go on the record in opposition to using the climate change issue to increase taxes and grow the size of government.
