Americans for Prosperity Applauds U.S. House Candidate Karen Harrington -Signs No Climate Tax Pledge-

WEST PALM BEACH—The Florida chapter of the free market grassroots group Americans for Prosperity (AFP-FL) today applauded U.S. House candidate Karen Harrington (20th District) for signing the group's "No Climate Tax Pledge." Harrington joins more than [575 bipartisan lawmakers and candidates](#) on the federal, state and local levels pledging to "**oppose legislation relating to climate change that includes a net increase in government revenue.**"

"The one thing elected officials should agree on is that global warming shouldn't be used as an excuse to hike taxes on citizens and businesses," said AFP-FL State Director Slade O'Brien. "We encourage all of Florida's elected officials and candidates for elected office to sign the pledge."

Florida signers include: Governor Rick Scott; U.S. Senator Marco Rubio; U.S. Representatives Jeff Miller, Steve Southerland, Rich Nugent, Daniel Webster, Gus Bilirakis, C.W. Bill Young, Dennis Ross, Connie Mack, Bill Posey, Sandy Adams and David Rivera; and Attorney General Pam Bondi.

"Using the guise of climate change to transfer dollars from hard-working citizens to bureaucratic big government is unacceptable," said O'Brien. "Regardless of their stance on global warming, this should be common ground for all of our elected officials at all levels of government."

The pledge is available online at www.NoClimateTax.com. AFP does not endorse candidates. All elected officials and candidates are encouraged to sign the pledge and go on the record in opposition to using the climate change issue to increase taxes and grow the size of government.

Americans for Prosperity (AFP) is a nationwide organization of citizen leaders committed to advancing every individual's right to economic freedom and opportunity. AFP believes reducing the size and scope of government is the best way to safeguard individual productivity and prosperity for all Americans.
