Lifetime scores only go back to the 1996 legislative session when Kansas Taxpayers Network began rating legislators. Scores at 75 percent or above are considered taxpayer friends. Scores do include votes by legislators who have served in both houses of the Kansas legislature starting in 1996 and continuing until the present. Legislators whose names have changed from session to session are rated under the name used during the most recent legislative session. A = absent, P= present/pass. Key votes are weighted.
