Americans for Prosperity Applauds U.S. House Candidate Ann Wagner *-Signs No Climate Tax Pledge-*

SAINT LOUIS, MO.—The Missouri chapter of the free market grassroots group Americans for Prosperity (AFP-MO) today applauded U.S. House candidate Ann Wagner (2nd District) for signing the group’s “No Climate Tax Pledge.” Wagner joins more than [575 lawmakers and candidates](#) on the federal, state and local levels pledging to “**oppose legislation relating to climate change that includes a net increase in government revenue.**”

“The one thing elected officials should be able to agree on is that global warming shouldn’t be used as an excuse to hike taxes on citizens and businesses,” said AFP-MO State Director Patrick Werner. “We encourage all of Missouri’s elected officials and candidates for elected office to sign the pledge.”

Missouri signers include: Lieutenant Governor Peter Kinder; U.S. Senator Roy Blunt; U.S. Representatives Todd Akin, Vicky Hartzler, Sam Graves, Billy Long, Jo Ann Emerson and Blaine Luetkemeyer; U.S. House candidate Ed Martin; as well as dozens of state representatives and state senators.

“Using the guise of climate change to transfer dollars from hard-working citizens to bureaucratic big government is unacceptable,” said Werner. “Regardless of their stance on global warming, this should be common ground for all of our elected officials at all levels of government.”

The pledge is available online at www.NoClimateTax.com. AFP does not endorse candidates. All elected officials and candidates are encouraged to sign the pledge and go on the record in opposition to using the climate change issue to increase taxes and grow the size of government.
