And I noticed you didn't comment on Politifact.org. There are many, many non-biased sources to expose your ilk, at your recommendation I will no longer us sourcewatch. **And I am reporting your email address to President Obama's misinformation watch list (just so this wasn't a complete waste of MY time).** And nothing personal, but you have now been marked as junkmail, so I won't be seeing your future emails, even if you won't honor my request to delete me from your list.
